So tired of you guys.
Deal with it with your own history.
If you think what they said 'Jews were so rich so German didn't like them in WWII.' is completely fine, well, then, up to you.
Not my own land at all, I'm just a messenger.
Do whatever you like, and judge whatever you think is fine with your own land and history.
By the way, Thy "Evidence of History" — THE WRITTEN SCROLL OF JUDGEMENT — hath been sent forth, for many copies to many countries as what I've been told, to who has to receive.
Yep, Not including you, any longer.
And because of both the 'Sending paper mail and account blocking evidence' and 'Account unlocked evidence', yes, now 'This provides "Evidence ONLY" account page' is the 'Top 3%' for a very long long, long time, on the website.
And yes, you get this E-mail one day after than everyone else as I've been told.
Not my religion, either history.
That will be all.
